

REVIEW

on the Educational Program

"6B01611 - History and English Language" for the years 2023-2027

Educational program "6B01611 - History and English Language" is aimed at training bachelors in the specialty of teacher of history and English language. This is an innovative educational program, which today has no analogues in the universities of the republic and developed taking into account the needs of the market and the demands of consumers of educational services of Pavlodar city and the region, as well as the needs of small schools.

The purpose of the educational program «6B01611 — History and English» is to prepare a teacher of history and English who is able to use theoretical and practical knowledge to solve professional problems, who has communication, managerial, research, health-saving skills, social responsibility.

The educational program includes several modules, where along with general education disciplines an important place is given to historical and language disciplines, providing for the formation of the necessary competencies. The learning outcomes are justified and directly related to the competences necessary for the future specialist. In the future, graduates of the program will be able to continue their master's degree in one of two areas: history or language.

Educational program "6B01611 History" is prepared in accordance with all the requirements for the development, also taking into account the current trends in the education system and can be used in the training of specialists.
